

Hello <Customer's Name>,

Thank you for your time on the call.

It was a pleasure talking to you. Today's call has been very informative and provided us with a lot of relevant information that would help us in progressing us with the case. Here is a summary of all the action items that performed and the information we collected.

1. Information collected
2. Information collected
3. Information collected
4. Troubleshooting Item 1
5. Troubleshooting Item 2 and so on

*<Skip this part if there is no action plan discussed, add bullet points if there are more than one action items, else use a single sentence>*

As per the next action plan, we would request you to try the following things:

1. Action Item 1
2. Action Item 2

In addition to it/Meanwhile, I will have a discussion internally and do some research along with analyzing the <name of the log> we have collected. I would request you to upload the logs we collected in today's session on the workspace that could be accessed using the following:

[File Transfer - Workspace](#)

I will follow-up with you on <DATE> to share my findings and the further plan of action. However, if you have any questions, or you need any assistance with the suggested plan of action, please feel free to reach out.

Have a great day ahead!
