

Hello <Customer's Name>,

I trust you are doing well.

I am Rajdeep, Support Engineer from the Browser's team. I can see that one of my colleagues Behroze has been working with you on the service request in the subject. I have taken over this case from him/her and would continue to work with you going forward. I went through the case and have complete details about it and following is my understanding of the issue:

Problem Description:
<Summary of the issue>

Environment Details:
Operating System: Windows 10 Version 1803
Browser Version: Edge

Summary:

- Information previous engineer collected
- Information previous engineer collected

I wanted to check with you on your availability when we can connect and discuss the case. My calendar looks open between <time> and <time> today and then I can make myself available between <time> and <time> tomorrow. Please let me know a suitable time to connect with you to work on the case further.

I look forward to hearing from you.
